

**Name:** Nick Curwen

**How do you help our Club?**

Currently I'm the Clubs Treasurer so I deal with all the money that the club spends and takes. I also look after the club equipment (From time to time).

**How long have you been volunteering?**

I think this is my fourth year volunteering within JUST, I almost had all the roles at one point. :P

**Why do you volunteer?**

I really enjoy the club and without the volunteers the club wouldn't be there so...

**What's the best thing about volunteering?**

It would have to be keeping the club going and watching how much it has grown in the last couple of years. Hopefully it will keep growing.

**And the worst!?**

Having to do the same things over and over again, which other members should be doing.

**Where do you live?**

Stockton-On-Tees somewhere... :P

**Other interests / hobbies:**

Bikes, Cycling and anything and everything to do with cars.

**If you were given £1,000,000 how would you spend it?**

Open my own business and buy couple of very nice BMW's.

**Sweet or savoury?**

Savoury I'm sweet enough.

**Favourite films:**

Wow erm, where to start...

Back to the Future, Die Hard, Looper, Batman, The Hangover, Fight Club, The Matrix, Terminator2, The Dark Knight, Departed, Toy Story, Alien, Reservoir Dogs, Resident Evil, Indiana Jones.. Yeah that's a massive question I'm a total film freak.

**Favourite TV shows:**

Currently my favourite TV show is the Walking Dead, can't wait for season three.

**Favourite books:**

Performance BMW... Magazine. :P

**Favourite holiday destination / habits:**

I've only really been out of the country once... To Amsterdam ;) . I would really like to go to America and drive west to east. Also I have go to the **Nürburgring** in Germany (need a better car for that).

**The next skill you'd like to learn:**

I would like to be able to do rolling wraps on my unicycle and some stand up tricks.

**5 things to do before you die:**

- Jump out of a helicopter
- Drive the **Nürburgring**
- Go snow boarding. After jumping out of the helicopter...
- Build my dream garage with a house thing on the side.
- Travel a lot more.

**Any hidden talents?**

Driving fast sideways (Drifting) and sometimes in a straight line, generally larking about in cars or bikes or boats or pretty much anything that goes fast. "Ricky Bobby: If you ain't first, you're last!" Also I'm an "amateur" car mechanic.
