

Volunteer Profile: Claire Peacock

Name:

Claire Peacock (flossy)

How do you help our Club?:

I help the club by just being there. I do not have a set role, I will help wherever I am needed. I have helped on registration, setting out, putting away, selling JUST goodies etc. I help promote any events that are happening, and the most important of all “babysitting” .

How long have you been volunteering?

Almost 3 years

Why do you volunteer?

I volunteer because of Cameron Peacock. When he became a club member we went to local events. This became more frequent and as we got to know more people and how the events worked . We then started helping set up, pack away, give out information etc, and gradually became more involved over the last 3 years. Everyone has been good to Cameron, and this is my way of giving something back.

What’s the best thing about volunteering?:

Seeing everything pay off at events and at the regular club nights. Seeing smiley faces and happy people when they achieve something makes it all worthwhile. The friendly atmosphere helps a lot as well.

And the worst!?:

Standing in the cold ,wet, snowy, awful weather at outdoor events. Filling out volunteer profiles on yourself. LOL.
